

British Columbia Hosted Travel
with
Dax Messett and Leslie Ajari
at Skeena Spey Lodge
on the Lower Skeena

Over the past eight years I have spent 4-6 weeks a season chasing steelhead and exploring the vast Skeena River System. The lower Skeena and its tributaries have

become my favorites. I have found the absolute best lodge on the Lower Skeena to accommodate what I am looking for in my hosted trip offerings, which is Skeena Spey Lodge. This beautiful property provides the absolute best food, accommodation, guides, and value on the Lower Skeena System. The entire staff have become dear friends of mine over the p years since they started what has become the premier lodge in BC. I have two prime weeks in September 2018 to accommodate my guests.

On my hosted trips, I make sure I spend time on the water with all of my guests on the trip. I am able to provide any gear, elite spey casting instruction, and advice that you may need to make sure you get the most out of your experience. Being a highly

experienced and well traveled host who is intimately familiar with steelhead angling in British Columbia, I make sure that the trip runs as smoothly as possible. From the initial planning process of the trip, to sharing fun post trip photos, I am with you every step of the way. Many guests who join me have met lifelong angling friends on past hosted trips. We have a great time on and off the water, it is all part of the whole trip experience. British Columbia is one of my favorite places on Earth, one that I will continue to visit every year over my angling lifetime.
